EM77

Design Classic by Erik Magnussen 1977

EM77 vacuum jug 1 l.

This iconic vacuum jug, designed by Erik Magnussen in 1977, still looks good on any table, elegantly complementing your tableware. It started with an innovative patented tilting lid. Now the design conceals new functionalities: a French press, a press tea maker and an electric kettle. Enjoy distinguished design and a harmonious look in your kitchen and on your table.
